HARD CORE FE - MOLLE CONFIGURATION

Hard Core FE

Built upon input, it is the first carrier of its kind to safely address a one-size-fits-most application with consideration of comfort, movement and ballistic protection. The Hard Core FE can be quickly equipped with rifle plates via its top-loading external plate pockets. It is designed to protect personnel during an Active Shooter or Hostile Event Response. The Hard Core FE offers ballistic protection without sacrificing mobility and versatility. The carrier is adaptable to meet the needs of your team's life-saving missions. The Hard Core FE is now available in reflective material configuration (Red, Black, LAPD, Coyote only)
