

**FOR IMMEDIATE RELEASE: MAY 25, 2022**

### **ARMOR EXPRESS SECURES ADDITIONAL CAPITAL**

**ARLINGTON, VA, May 25, 2022** – [Armor Express](#), a leading manufacturer and distributor of high-performance protective solutions for the Domestic and Federal Law Enforcement markets, Department of Defense, and First Responders, announced that it has closed on incremental capital from the Company's commercial lender as well as its equity holders, positioning the Company to take advantage of a myriad of growth opportunities and invest in additional working capital.

"We are pleased to have closed on this growth investment to improve our capital position," said Lushana Offutt, Armor Express's Chief Executive Officer. "These investments increase our operating flexibility, improve our borrowing capacity, and position us to achieve our financial and operational objectives, including accelerating growth and enhancing our customers' experience. I would like to thank our employees, our suppliers who continue to support our efforts, and our lender and equity investors, who have played important roles in positioning AE for continued success."

#### **ABOUT ARMOR EXPRESS**

Armor Express is a leading manufacturer and distributor of life-saving ballistic protective solutions. Founded in 2005, today the company is one of the largest providers of soft and hard armor products, proudly serving the Federal and Domestic Law Enforcement markets, the Department of Defense, First Responders, and America's allies around the world. Through our unwavering commitment to quality, innovation, and operational excellence, we take pride in bringing America's protectors home safe.
